Custom training is available for either a half or full day session at our facility in Westmont, IL. Half day sessions are from 9:30 am to 1:00 pm (with one 15 minute break) at a cost of \$500.00. Full day sessions are from 9:30 am to 4:30 pm with a break for lunch from 12:00 pm to 1:00 pm, on your own. The full day session is \$950.00.

Our training facility provides the use of four computers running the latest version of MOGO Windows, with room for up to two employees per computer. You may also bring wireless devices such as smart phones and tablets for MOGO Secure Cloud demonstrations, and laptop computers with your office data loaded can connect via our in house WiFi network.

Online training classes

MOGO offers on-line training as well. This training is provided using a high-speed internet connection using Trispot Direct Connect. Online training is offered in one hour increments priced at \$150 per hour, and can be customized to the individual training needs of your office. It is recommended that training be scheduled at a time when the office is closed. This will ensure an uninterrupted session for the most beneficial experience.
